QUESTION	ANSWER
What would you do to ensure that transportation priorities, specifically bicycle infrastructure improvements, contribute to improving equity in Somerville and Cambridge?	ensure priority safe and improved infrastructure for bike riding under state jurisdiction.
While almost all streets in Cambridge and Somerville are maintained by the cities, several of our most dangerous roads (Memorial Drive, McGrath Highway, Alewife Brook Parkway) are under state jurisdiction. If elected, what is the first thing that you would do to improve safety on those roadways for people on bicycles and other vulnerable road users?	wider pavement and markings
Federal and state transportation funding typically directs little budget to improving bicycle infrastructure. If elected, what would you do to ensure that a greater share of transportation spending is directed to people on bicycles and other vulnerable road users?	seek other sources of funding this should be under the umbrella of Green deals
What have you done or worked on in the past that shows your record of advocating for active transportation - such as walking or biking - and/or public transportation?	I ride my bike as much as possible during the seasonable weather
Many crosswalks in Cambridge and Somerville use automatic / timed pedestrian crosswalk signals. However, most pedestrian crossing signals in state-owned intersections are not automatic. Would you support state agencies making all crosswalk signals automatic at state-owned intersections?	Yes
